Scenarios

SCENARIO MATRIX

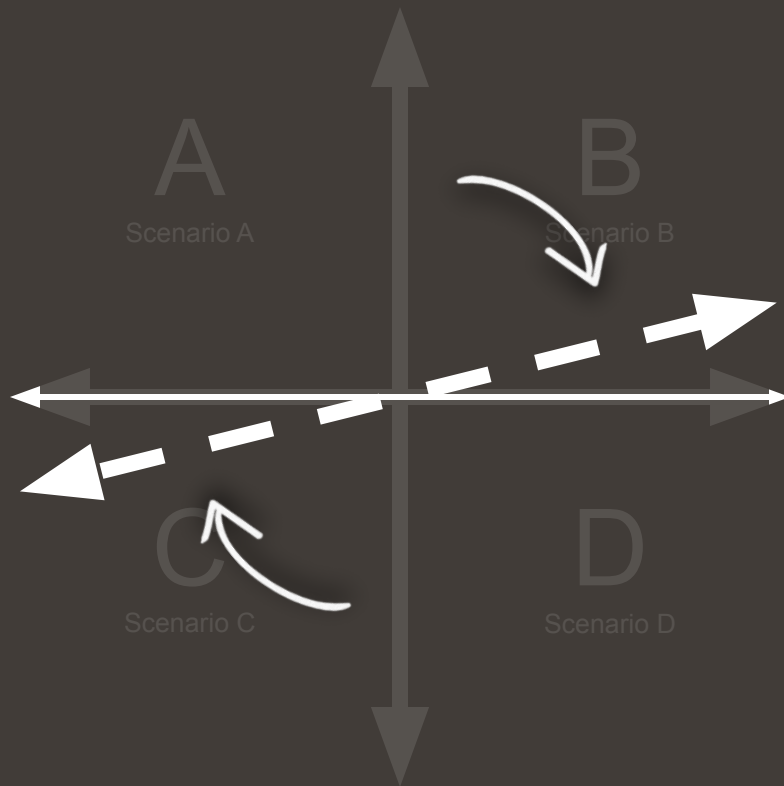

How to Identify Scenario Axes

Focus on the critical uncertainties (high-impact / high uncertainty)

What makes a good axis & polarity?

- Good explanatory power and relevance for decision-making
- Able to challenge mental models and organizational perspectives
- When selecting two axes and their polarities, they must be independent of each other.

WHAT'S NEXT?

- Complete your next Pod call
- Consume next learning kit which drops tomorrow
- Reflection Journal (before the next Live Session)
- Deep dives (for the curious)

REFLECTION JOURNAL

JOURNAL 3 REFLECTION:
Being mindful of mental and
cognitive biases in your
environment

CHECK-OUT

What is one thing you take with you from today?

Think about:

Something that you learned?

Something that surprised you?

Something you want to explore more.
